

**A new Zogby poll shows 50% of New Yorkers think that key officials within the Bush Administration had foreknowledge of 9/11 and “consciously failed” to act.**

**(<http://www.zogby.com/news>)**

# **CONSCIOUSLY FAILED?**

**Bush failed to respond on the day of the attack.**

**Others recieved clear warnings  
before 9/11 and did nothing.**

**We, the people, must take the matter into our own hands.**

**9/11 Citizens' Commission**

**Thursday, September 9, 2004 – Doors open 12:30PM**

The Zogby poll also indicated that 66% polled want the investigation reopened by Congress or NY Attorney General Elliot Spitzer to address the victim families' hundreds of still unanswered questions.
